## 2D2426: Drawing for Beginners with Philip Salamone

**Days: Saturday**

**Dates: August 10, 2024**

**Times: 9am – 4pm**

**Your tuition includes drawing paper, drawing pencils, and kneaded erasers.**

### **Required Materials:**

- Small handheld mirror
- Large knitting needle, paintbrush, or equivalent instrument for comparative measuring
- Clips to attach paper to drawing board.
- A few objects to draw. For each class period, we will be making drawings of the objects you bring in. Anything works really, as long as it sits on a table. I've found that white objects on a dark cloth work well. Please bring a number of things, so it's a setup rather than a single object. I'll bring some as well, but the more options we have to choose from, the better.

### **Optional Materials:**

- Hat, visor, or baseball cap. I will explain this during class.

### **For ALL classes, remember to bring:**

- Sketchbook and pencil for sketching and notetaking
- Comfortable shoes and/or a rubber mat for cement studio floors
- Apron or smock
- Sweater; studios are air conditioned

**The items listed above are recommended by the instructor. You may be asked to bring more than you will actually use. The acquisition and cost of these items are your responsibility.**
